The ACH bill payment method is the most cost-effective means for you to pay your electric bill. It also helps your Cooperative reduce related business costs because processing fees are considerably lower for ACH payments.

By electing to view your monthly statement on our website and discontinue receiving a monthly statement in the mail, you will help reduce processing, printing and mailing fees that the Cooperative incurs each month.

Please refer to the following page to initiate ACH authorization of your account(s) now.

AUTOMATIC CLEARINGHOUSE (ACH) AUTHORIZATION

I hereby authorize Consolidated Electric Cooperative to debit my checking/savings account each month (between the 6th and the 9th) to pay my electric bill.

Meter readings will be transmitted via Cooperative installed equipment on my electric meter. The bill will be figured using the reading obtained.

I may choose to continue to receive a monthly bill or to view my monthly bill online at www.consolidatedelectric.com. I can view my kilowatt-hour use, the billing period and the amount that will be debited from my account designated below through either option.

This authority is to remain in full force and effect until Consolidated Electric Cooperative has received written notification from me of its termination in such time and such manner as to afford a reasonable opportunity to act on it.
